

Orchard View Adult Education GED & HiSET Prep Program

Orchard View's Adult Education program offers comprehensive preparation for the **General Educational Development (GED)** (now referred to as the High School Equivalency Diploma) and **High School Equivalency Test (HiSET)** exams. These exams provide individuals, without a traditional high school diploma, the opportunity to earn a recognized high school equivalency credential.

Program Features:

- **Personalized Instruction:** Students receive tailored support based on their academic needs.
- **Flexible Scheduling:** Morning, afternoon, and evening class options are available to accommodate busy schedules.
- **Practice Tests & Skill Building:** Students engage in practice exams and targeted lessons to strengthen their knowledge in key subject areas.
- **Supportive Learning Environment:** Experienced educators provide guidance and encouragement to help students succeed.
- **Digital & In-Person Learning Options:** Access online learning tools alongside classroom instruction.
